

CARTLETS Summer Newsletter 2010

Meetings are always on the first Wednesday of every month at the Plume of Feathers pub in Pool. These are a good opportunity to meet, discuss and make friends! The formal meeting runs from 7.30 till 9.25 and then we have a social till the pub shuts. If you dislike meetings come to the social at 9.30. If you don't want to socialise then come to the meeting. Or do both, everyone is always welcome!

CAMP NEWSFLASH

YES its that time of year again and we have some important news regarding the dates and venue for the first of our summer camps. The events field at Tehidy Country Park is being left fallow to attract insect life and create a habitat for the Corn and Cirl Buntings. Sadly (for us) this means we can no longer use the field for camping events BUT we have found another beautiful site next to **Giants Quoit** for this years Solstice camp!

WHEN: Friday 25th, Saturday 26th and Sunday 27th June.

WHERE: Carwynnen Cross Scout and Guide Campsite (see below for directions).

COST: £8 per tent per night for members and £11 per tent per night for non-members.

The site has a fireplace and barbeque, a toilet and shower block and also a kitchen block with gas cookers, a fridge freezer, pots pans and cutlery AND a couple of rope swings for the kids!

Gates open at : 3pm Marquee up as soon as there are enough people to do so.

HOW TO GET THERE

I have marked each turn and the destination with an arrow on the map (hope this helps). Drive past the Police Station and head out of Camborne on the **B3303** (towards Helston). Just past the national speed limit signs turn **LEFT** sign-posted Troon and Treslothan. Follow the road past the turning for Treslothan Church until you come to a house with white criss cross windows where you turn **RIGHT**. Follow this narrow road driving slowly and on your right you will pass a gateway into the field of the Giants Quoit, just past this gate is another which leads into the campsite. The usual LETS Camp arrows should direct you once you get nearby.

For those of you with sat-nav the postcode of the Quoit next door is **TR14 9LR**

For map readers the grid reference of the quoit next door is: **SW650373**

Message from Pharic

Hi All, Pip Richards (Sustainable Trust) has just told me that Lesley who is conducting the survey of the Quoit field (right next to where we're camping in June) is planning to do some interesting archaeology while we're there:

"We will aim for the 26th. I will get some of the Cornwall Archaeological Society/Saltash groups there as well and we will get both the magnetic and resistance equipment going. The resistance kit can be used by anyone who is reasonable fit and there is no need to be non magnetic, so volunteers can have a go. We will process the data as we go so people will see some results on the day."

Come and join in with the archaeology!

WHAT'S ON *Bouncy Castle*

HELP

If you are available to help set up the camp or put up the marquee **WE NEED YOU!**

It takes at least 6 people to erect the marquee in its smallest form (two ends) so the more the merrier!

WHAT DO YOU THINK?

As the outdoor education field is available throughout May a few of us have been thinking about putting on another camp on either of the two May bank holidays. This would give us the opportunity to spend time in the woods in spring rather than summer and experience the diversity of flora and fauna that the seasons bring.

Do you think this is a good idea?

Would you be likely to attend?

We'd like to know what you think about this possibility, so contact Paul (197) or Helen (329) and let us know your opinions. **Thankyou**

Have you paid your subs?

These were due last November and quite a few are now overdue. The whole scheme depends upon these subscriptions to pay for Trading Days , directories, offers and wants updates- newsletters and cheque books. Please pay as soon as possible so that we can keep the scheme going. Many Thanks
