Camp Reviews

What a great camp! They just keep getting better and better!
Gorgeous weather and a fantastic turnout too with the most campers ever at a June camp. Our new tents for the compost toilets were a success (just a little bit of improvement to reach perfection). Solar lights (both inside and out) and carpets for the marquee made a very cosy setting for a wonderful selection of live music throughout Saturday afternoon and into the evening.

Thank you everyone who played for us! If you have any ideas about how we can improve our camps please come to the meetings and get involved.

BANDS : Leski - Jeff, Michaela and Steve - Sam Naylor - Shed. Hanter Hir - Animal I - Seed and Ben Harris

As ever it takes a huge amount of hard work to organise everything at our summer camps. They would not be so successful without a minority of people who give up their time to make it happen. On behalf of everyone **THANKYOU** to **Paul** for setting up the solar kit and organising some bands, to **Brendan** for his sound engineering and organising some bands, to **Simon** for transporting the marquee and dealing with the toilets in June, to **Sally** for collecting the money, to **Jenny** for cleaning the toilets in August, to **Steve** (Shed) for his lights and enthusiasm to get stuck in and to everyone who helped put up and take down the marquee. So sorry if I've forgotten anyone!
